### The International Title 21 Ready-To-Go® CMC Series

The International Title 21 CMC Series comprise of individual editions comprising of over 120 CD ROM issues covering Generic CMC Research Dossiers of the International Association of Generic and Innovative Drug Manufacturers. Individual Institutional subscriptions from \$2500 - \$6999 (as listed on the web site) The license rate for existing IAGIM members of three years are priced per dossier classification. Multiple user-licenses for multinationals firms range from \$2500-\$6999 per Type A, B, C, or D dossiers. Rates to IAGIM members utilizing the Association's cost effective benefit and benefit plus plans are significantly reduced. The International Title 21 Series is updated and published in electronic editions only in four quarterly cycles, based on current research output as per IAGIM Assoc. Rules and Regulations:

Euro - Print ISSN 0793-7784

Euro - Electronic ISSN 0793-7806

Publishing dates are reviewed and updated quarterly based on research output.

Publishing dates may change within a volume due to external conditions
